

FP7 Info Day at BGU

Wednesday July 7th, 2010

Dekel Conference Room
2nd floor, New Wing Zlotowski Student Center Building

At the end of July Europe's 7th Framework Programme (FP7) will publish "Work Programmes" (compendiums of calls for proposals) in each of its 10 "thematic areas"*

The "Info Day" is one of the measures designed to pave the way for participation of BGU researchers in FP7. Our speakers are portfolio managers from ISERD, Israel's official liaison to the Framework Programme.

On The Programme

11:45 - 12:00 Refreshments

12:00 – 12:10 Panoramic View of FP7 and BGU's presence to date

12:15 – 12:50 **ICT – Information Communications Technology**

Aviv Zeevi Balasiano

Coffee Break

13:00 – 13:40 **Nano, Materials, Production, Security and Space**

Dr. Nili Mandelblit

Coffee break

13:50 – 14:30 **Health, Agriculture, Environment**

Dr. Rami Kalfon

For further information:

Arnie Schlissel
Tel: 64 77756
arniesch@bgu.ac.il

Health
Food, Agriculture & Biotechnology
Information and Communications Technology
Nanotechnologies, Materials, Production
Socio-Economics and Society

Energy
Environment
Transport
Space
Security

Work Programmes are on RDA Internal Site

Because they are still technically drafts, and will only be officially published at the end of July, the Work Programmes can only be stored on a website that cannot be accessed by the public-at-large.

How do I reach the RDA Internal Website?

Begin here: "Entrance for BGU Researchers only" http://cmsprod.bgu.ac.il/Eng/Units/osr/OSR_Internal.htm
Click on "Entrance" <http://profiler.bgu.ac.il/internal/Internal%20html%20pages/internal-page.htm>. Add **bgu-users** before your e-mail username.
