

## Electro-optics BGU & Industry workshop

### Bringing the industry to the Negev

The Electrical and Computer Engineering Department, the Unit of Electro-Optics Engineering and the Electro Optics Center at Ben Gurion University, under the auspices of IEEE LEOS Chapter are organizing a one-day workshop on June 6 2004, which will take place on Conference Hall A. Senior representatives of the electro-optic industry in Israel have been invited to present their company's R&D work to graduate students (at present numbering some 450 Masters and PhD students). The main objectives of this workshop are a) to tight the relation between academia and industry, b) to expose fresh students to new ideas and c) to help graduate students to find job.

Session Chair <b>Prof Shlomo Hava</b>	9:00-9:15	Prof. Mordechay (Moti) Herskowitz	Vice-President and Dean for Research and Development Ben Gurion University
Interdisciplinary Center for Optronics Director and Electrical Engineering Department member	9:15-9:45	Mr. Benny Levy	R&D, Director <i>IAI-MABAT</i>
	9:45--10:15	Dr. David Scheiner	R&D Manager <i>Nova Measuring Instruments</i>
	10:15-10:45	Break*	
	10:45-11:15	Dr. David Stavitski	Chief Scientist <i>Elbit</i>
	11:15-11:45	Mr. Moti Shabtai	VP NiceVision NICE
	11:45-12:15	Dr. Gavriel J. Iddan,	Chief Technology Officer <i>Given Imaging</i>
	12:15-13:00	Lunch break	
Session Chair <b>Prof. Natan kopeika</b>	13:00-13:15	Prof. Avishay Braverman	President Ben Gurion University
Electro-Optics Unit chairman and Electrical Engineering Department member	13:15-13:30	Prof. Yigal Ronen	Dean of the Faculty of Engineering Sciences
	13:30-14:00	Dr. Giora Yahav	CEO <i>3DV Systems</i>
	14:00-14:30	Mr Moshe Meidan	R&D, Director <i>IAI-TMAM</i>
	14:30-15:00	Mr. Yossi Levy	Research Sector Director <i>Intel Research</i>
	15:00-15:30	Break*	
Session Chair <b>Dr. Shlomi Arnon</b>	15:30-16:00	Dr. Gabby Sarusi	Chief Scientist, Director of Business & Tech, Dev. <i>Elop</i>
IEEE Laser and electro optics Israel chairman and Electrical Engineering Department member	16:00-16:30	Dr. Mordechai Brestel	Research Director <i>ITL - International Technologies (Lasers)</i>
	16:30-17:00	Dr. Dubi Sachal - Dr. Silviu Reinhorn -	General Manager Defect Review Product Unit Research Manager Inspection Division <i>Applied Material</i>
	17:00-17:30	Dr Benny Inditsky	CEO <i>VISUS</i>

\*Students are encourage to approach the speakers during the breaks
