

# The Physics Department Ben-Gurion University

One-Day Symposium on

## Contemporary Problems in Condensed Matter Theory

March 9th, 2011

### Lecturers:

Duncan Haldane (Princeton)

Maurice Rice (Zurich)

Subir Sachdev (Harvard)

Daniel Loss (Basel)

Achim Rosch (Cologne)

Moshe Shechter (BGU)

Organizer: Yigal Meir, BGU.

For program and more information:

<http://physweb.bgu.ac.il/EVENTS/symposium2011>

The lectures will take place in the Computer Science Auditorium, the Alon building for hi-tech at BGU (building 37).

This symposium is part of a two-day event at BGU, to be followed on March 10th, by the Moshe Flato Lecture Series:
